Can I be denied coverage?	Current employees: If you and your eligible dependents are enrolled in the plan and wish to increase your life insurance coverage, you may apply on or before 1/1/2019 for any amount of additional coverage up to \$50,000 for yourself and any amount of additional coverage up to \$25,000 for your spouse. Any life insurance coverage over the guaranteed amount(s) will be subject to answers to health questions. If you and your eligible dependents are not currently enrolled in the plan, you may apply for coverage on or before 1/1/2019 and will be required to answer health questions for any amount of coverage. New employees: To apply for coverage, complete your enrollment within 31 days of your eligibility period. If you apply for coverage after 31 days, or if you choose coverage over the amount you are guaranteed, you will need to complete a medical questionnaire which you can get from your plan administrator. You may also be required to take certain medical tests at Unum's expense.	
How do I apply?	Please see your plan administrator.	

When is coverage effective?

Please see your plan administrator for your effective date.

Insurance coverage will be delayed if you are not in active employment because of an injury, sickness, temporary layoff, or leave of absence on the date that insurance would otherwise become effective.

For your dependent spouse and children, insurance coverage will be delayed if that dependent is totally disabled on the date that insurance would otherwise be effective. Totally disabled means that as a result of an injury, a sickness, or disorder your dependent spouse and children: are confined in a hospital or similar institution; are confined at home under the care of a physician for a sickness or injury; or your spouse has a life-threatening condition. Exception: Infants are insured from live birth.
